

A PAIR OF CRYSTAL OBELISK LAMPS WITH SILVER LEAFED SHADES, CHAPMAN LAMPS 1976

\$3,000 A great pair of moulded crystal lamps by Chapman Lamps, know for their quality product. The crystal pieces sit on a metal base with a metal rod running up the center of the lamp. At the top of the obelisk of each lamp sits a polished and lacquered brass orb. The lamps are signed with an adhesive sticker on the socket. We have paired these lamps with beautiful silver leafed lampshades. The shades also have silver leafed interiors that creates a lovely glow. These lamps have a transitional quality making them perfect in both traditional and modern or contemporary interiors.
