

A PAIR OF LINEAGE CHAIRS BY KELLY WEARSTLER

\$15,000 This is a spacious burled wood 4 door cabinet. The use of the patterning created by the burl of the grain creates many interesting images, some appearing to be faces. The outer cabinets have 2 shelves each, 1 being a pull out shelf and the other 3 can be adjusted higher or lower depending on your needs. Holes were cut and drilled to the back of the cabinet by previous owners, convenient for electrical chords. The center storage area juts out 4 inches adding depth to the piece. It sits on a laminated brass base. Sleek and stylish, this piece is ready to go as a media cabinet or simply as a beautiful burled wood storage cabinet in any home.
