

A PAIR OF "MAN RAY" CHAIRS BY PHILIPPE STARCK

The bleached wood frames with a "wheelbarrow" style wheel for the rear support, these chairs were manufactured for Clift Hotel in San Francisco in the late 20th century. The seat height is 19". The chairs have been reupholstered in a pale purple wool Coraggio fabric to resemble the original vinyl and compliments the wood frames perfectly. These chairs will add a level of uniqueness to any area.
