

ART DECO STYLE BLACK PANTHER WITH BRASS DETAILS

\$2,800 This is a sleek art deco styled black panther with brass details. The panther is in a seated position with its face turned to the left. Cast in fiberglass and lacquered black, this sculpture will definitely draw attention. The skill of the sculptor is apparent in the both the realistic quality teamed with the Art Deco style. He looks as if he has walked in from a Deco period interior. The panther's muzzle and tail are polished brass. The size of this sculpture is perfect for an entry way or paired with a great desk.

1980s
