## BLACK LACQUERED JMF SIDE TABLE BY KARL SPRINGER

\$5,500 This is a rare black lacquered JMF side table by Karl Springer. The table has the classic JMF half circle/flared base. The JMF consoles in this style are more readily available, however the end tables are harder to find making this a unique opportunity to own a rare and original Springer piece. The piece is dated on the bottom, 5-1-83. the table has been re-lacquered. . As an addition to a collection of Karl Springer items or alone, this rare side table will spruce up any interior. This piece came out of a home in Honolulu, Hawaii that contained numerous original and unique Karl Springer items. The end table was originally bought in 1983 from the Karl Springer Los Angeles Showroom. We have copies a of the receipt and will provide them with the purchase.
