

GUN METAL AND BRASS COFFEE TABLE WITH GLASS TOP, KARL SPRINGER

\$10,500 This is a striking 1970s Karl Springer coffee table. The size works well in a large or intimate space. The dark smoky glass is inset, surrounded by a .25" brass border. The border extends over the top of the table and down the sides of each leg. The base is finished in a striking gun metal finish often used by Springer; the craftsmanship is unmistakable. This sophisticated coffee table could work well in any interior.
