

J-ART IRON CHAISE LOUNGE, BRONZE PANTHER HEADS, 4 AVAILABLE

\$4,500
each

An exceptional chaise lounge by J-Art Iron Co located in Los Angeles, CA, blending artisan craftsmanship with stylistic influences reminiscent of Diego Giacometti. The wrought iron frame is both sculptural and refined, featuring elegant arched forms and meticulous detailing throughout. Cast bronze panther heads adorn the arms, lending the piece a powerful and decorative presence. Additional cast bronze elements include finely modeled paw feet, enhancing the piece's zoological and sculptural appeal. The lounge rests on rear wheels for easy mobility and has an adjustable back for customizable comfort. Newly upholstered in a Link outdoor bold blue and white striped cushions with a matching bolster, the design strikes a sophisticated balance between classical form and contemporary freshness. A standout statement piece suited for indoor or covered outdoor environments. As mentioned we have a total of four chaises available. Price is per chaise.
