

MASTERCRAFT THREE-DOOR CREDENZA WITH BRASS ACCENTS

\$8,600 This elegant three-door credenza by Mastercraft of Grand Rapids exemplifies the brand's reputation for refined craftsmanship and timeless design. The case is crafted from richly grained wood, accented with inset brass trim forming circular motifs on each door and complemented by brass columns at the corners. The top edge is finished with a sleek brass band, enhancing the piece's architectural presence. The interior features an adjustable shelf in the center and fixed shelves on either side, providing ample concealed storage. Bearing the original Mastercraft brass tag on the back, this piece blends modernist precision with classical detailing, making it a sophisticated addition to both traditional and contemporary interiors.
