

MONSEIGNEUR CHAIRS DESIGNED BY PHILIPPE STARCK FOR DRIADE

\$5,800
per set

A chic pair of Monseigneur chairs by 20th century Master Philippe Starck. Acquired from the SLS Hotel in Beverly Hills after an extensive remodel. Newly upholstered in a dark olive green patent leather these chairs have also had the Stainless Steel elements polished to a mirror finish. A clever design, the arm floats out from the back of the chair rather than connecting. Back legs are a darkened Mahogany with a satin finish. These chairs are a 20th century design staple by an icon of the era.
