

PAIR OF BLACK LACQUERED NEO CLASSIC STYLE CONSOLES WITH LABRADORITE TOPS

\$19,000 This pair of neo classic style consoles feature a gorgeous slab of labradorite stone on each top. Known for its iridescent properties, the labradorite slabs on these consoles contain stunning areas of iridescent blues, greens and yellows that accentuate with natural or unnatural light. The neo classical styled bases are lacquered black with polished brass fittings and sabots. It is rare to find fine Labradorite slabs making these truly unique. The color properties of this unique stone would be stunning in any area of light in your home.
