

## PAIR OF CREAM CERAMIC URN LAMPS WITH BRASS FITTINGS BY CHAPMAN, 1985

\$4,500 A pair of elegant and timeless urn-shaped table lamps by Chapman, dated 1985. These lamps feature distinct sculptural ceramic bodies in a warm cream glaze, accented by refined solid brass detailing at the base and neck. The classic silhouette is complemented by sleek Lizard Embossed black drum shades and twin pull chains, providing both visual balance and functional charm. A hallmark of Chapman's high-quality craftsmanship, this pair exemplifies the brand's ability to blend traditional forms with modern sophistication. Ideal for elevating a console, bedside table, or entryway credenza, they bring a sense of architectural structure and rich materiality to any space. Signed and dated by Chapman, these lamps are both collectible and practical—perfect for interiors that value design pedigree and enduring style.
