

SET OF 10 CHROME AND LEATHER DINING CHAIRS BY DADA INTERNATIONAL

\$21,000 A Fine set of 10 dining chairs, made in Italy by Dada International Design. Chairs have polished chrome frames that support sling style seats and backs. Each chair is stamped with the maker mark, I have found very little about this company only that they were based in Italy. Chairs clearly date to the 1970s. All seats are original while the backs have been replaced with new leather for strength and has been painstakingly matched to the original. Chairs are priced \$2,100 each but are only available as a set of 10.
