

SET OF 8 NEOCLASSICAL BRASS DINING CHAIRS

\$36,000 These 8 X back dining chairs have been completely restored. The chairs were taken apart and all the brass elements were wheel polished then clear coated to prevent tarnish. The gleaming chairs feature a graceful kicked front leg as well as a stylish circular medallion at the center of the X back. The seats which feature diamond tufting accented by buttons have been reupholstered in a high performance velvet that is a rich Merlot color. The care taking in the restoration process make this set of chairs a wonderful investment that will enhance a dining room! They will work nicely with nearly any style table and to find a set of 8 of these hard to come by chairs is really impressive. Please reach out if you have any additional questions. Although the picture shows 12, we currently have 8.
