

SILVER PLATE, OSTRICH EGG, AND MALACHITE LIDDED BOX BY ANTONY REDMILE

\$3,250 This silver plate lidded box, circa 1970s, contains half an ostrich egg set in a decorative silver setting, a common item Redmile incorporated into his pieces. A malachite finial finishes the lid. The bottom of the box has green felt as to not scratch surfaces.

1970-1979
