

SPECIMEN MARBLE COCKTAIL TABLE WITH A CUSTOM IRON BASE

\$5,200 This table is comprised of multiple specimen marble squares measuring 1.75" X 1.75". The table top rests inset the base and is raised .75" from the base. The marble specimens represent numerous vibrant colors including black, white, blue, green, pink, brown and beige. Some of the marbles represented in this tabletop may no longer be available as the quarries may have been fully excavated. The iron base which is exquisite in its design no doubt much more current than the top. The legs contain 6 iron cubes on each leg and an x support contains 8 rectangular cubes. The wonderful craftsmanship and unique style of this table would shine in a living area or an office.
