

"STILL LIFE" BRONZE SCULPTURE SIGNED PHILLIPS

\$4,500 This monumental abstract sculpture stands on a pedestal at 67" high. Comprised of 5 large shapes, it is signed "Phillips '85" and entitled "Still Life". The bronze has a nice patina and the box it rests on is finished in a black laminate. Though signed and dated I have not been able to discover the identity of the artist. a real statement piece that is suited for indoors or out with a different base.
