

TESSELLATED STONE VENEERED TRUNK

\$1,450 This is a wonderfully simple yet beautiful tessellated stone veneered trunk. The manufacturing tag is still on the underside of the trunk and reads "Alexvale Furniture, Inc/ Philippines// item number///date. The featured stone specimens have been placed closely together and their sizes range from about 1" x 3" to 2"x 5" of different sizes. Different shades of beige dominate the color scheme while subtle hints of grey, yellow , and orange can be seen throughout the piece. Fine brass inlays run vertically on the top and front of the trunk. A brass inlaid circle is featured on the top and the front of the trunk. Brass fittings have been used on the base of the legs. We have a console listed by the same manufacturer in a similar fashion, see picture #10. Whether used alone or with the matching console, this piece will will shine in its new environment!
