

WEST MICHIGAN BURLWOOD DESK WITH BRONZE X-BASE, TWO DRAWERS

\$6,000 This West Michigan burlwood desk with bronze X-base and two drawers is a striking blend of craftsmanship and clean-lined modernism. Featuring a highly figured burlwood top with rich natural variation, the piece is supported by an architectural X-form base in painted bronze. The two flush-front drawers offer discreet storage while maintaining the desk's sleek silhouette.>Documented in the original tear sheet as model No. 250, the desk measures 54" W x 24" D x 28" H and is constructed in the Arbella burl finish. West Michigan Furniture Company—renowned cabinetmakers since 1889—was known for exceptional mid-century production quality and collaborations with leading designers of the era. With its refined materials and timeless profile, this vintage burlwood desk is ideal for both residential and commercial interiors. A sophisticated example of American design with enduring appeal.
