

ECLIPSE CABINET BY DRAGONETTE PRIVATE LABEL

\$16,000

The Eclipse cabinet is a unique collaboration by Dragonette Private Label and LA Ceramicist Titia Estes. In their ongoing work together Patrick and Titia draw from each other. In the case of this cabinet Dragonette brought an idea to Estes, "What if we create a piece of furniture together?" and the Eclipse cabinet is the result.

Designed as a bar cabinet the handmade and custom glazed panels along with the pulls we created in the ceramic studio. Once in Dragonette's hand the process of creating the cabinet began. The box of the cabinet is wrapped in beautiful leather and the base is constructed of solid White Oak with a cerused finish.

The possibilities are endless as to finish and form, it can be done as a low cabinet or credenza. There are 3 glazes to choose from as well as many leathers. COL is also available for this work.
