## THE "TOWNHOUSE" SIDE TABLE IN SILVER NITRATE FINISH

**Call for Price** An elegantly understated side table in a silver nitrate finish with a 3/8" thick glass top and shelf. The top shelf has a 1/2" bevel detail at the edges and the shelf is a polished straight edge. The silver nitrate finish is a warm variegated antique silver tone. This table is a custom order item and can be produced in a number of finishes or varying sizes. We also offer the table standard in a patinated bronze finish.
